

How to Register

1. Go to <https://register.jme.tv/>. Enter your email and password, and click “register.”

The screenshot shows the first step of the registration process on a dark background. At the top left is the 'Jme' logo in red. At the top right is a language dropdown menu set to 'English'. Below the logo is a progress indicator with three steps: '1 Create Account' (highlighted), '2 Select Your Plan', and '3 Set Up Your Payment'. The main form area contains an 'E-mail' input field with an envelope icon, a 'Password' input field with a lock icon and an eye icon for visibility, and a checkbox labeled 'I accept the Terms and Conditions of Jme.*'. A large red 'Register' button is centered below the form. At the bottom, there is a link that says 'Have an account?'.

2. Enter your name and gender, then click “Continue”

The screenshot shows the second step of the registration process. It features the same 'Jme' logo and 'English' language dropdown as the previous step. The progress indicator now shows '1 Create Account' and '2 Select Your Plan' (highlighted), with '3 Set Up Your Payment' remaining. The form area contains three input fields: 'First Name' and 'Last Name' (both with a person icon and a red asterisk), and 'Gender' (with a person icon, a red asterisk, and a dropdown arrow). A large red 'Continue' button is centered below the form.

3. To redeem a "Promo Code," select "Monthly Subscription," then click "Continue."
